This is a pretty good commentary, 110 pages, available for free.  
Mr. Tanner has a very large, in-depth commentary available on Amazon for about \$55.

I am building a dedicated website for this study. That may or may not be ready by the time we start the series.

## WELCOME TO THE THE BOOK OF DANIEL

Today we begin our in-depth study of the prophet Daniel.

Meet Daniel as a person. A young man who went through deep pain, physical mutilation, banishment and slavery. See how God raised him from all of that and made him the premier prophet of the Old Testament.

Study his visions. See God use him to foretell the four great empires of the known world. See what God has revealed will follow the Roman Empire.

Who is antichrist? Learn what God has revealed about "the man of sin," antichrist's wars, and his plans to usurp the place of God.

All of this, and much more, is in store for all who take Daniel seriously.

In Matthew 24:15, the Lord Jesus refers us to the prophet Daniel to learn about antichrist, the "abomination of desolation." Then the Scriptures enjoin us to *read and understand* what he wrote.
